

## Most Commonly Prescribed Medications from the Partners Rx Formulary

All generic medications are on the PRx formulary. Please use this quick reference list when you receive a prescription. To receive maximum prescription drug benefits, ask your doctor to prescribe a medication on the formulary. Remember, if a preferred drug from the formulary is prescribed, your copay may be less than if a non-preferred drug (a drug not on the complete formulary list) is prescribed for you. To see a complete formulary, visit [www.partnersrx.com](http://www.partnersrx.com), under Members, or call toll-free 1.800.711.4550.

Drugs are listed alphabetically by brand name.
